

AGB-3705(1 & 2)

Ralph Von Stein letter of 29 Nov. 1991 says the photograph marked 1933 advanced is NOT for 1933 but the students are the same as those in the photo marked Advanced Class #5 1937. Close inspection of students confirms his analysis and change have been made.

Received 12 Mar. 1992 Harold L. Kimberley an original of this class and it is marked Advance Aerographer's Mate Class - Lakehurst N.J. Oct.-Dec. 1936. I will leave the Class No. as 3705 but add to names of those listed below. All Sailors look like AG1.

Seated: Harry Campbell; Bloxham S. Brigman; John Kaczmarski; O.K. Cassner

Standing: TSgt. Leo S. Maddy (M); Dave Davidovic Buck Sgt. (M); E. Keniston; Max White; Millard Martin; Harold L. Kimberly

Note: 1.) Bob Case typed notes says Kaczmarski changed his name to Kasmar later years.

2.) Kimberley and Maddy were Instructors this class.
