

Dear Mr. Gilroy,

My name is Gabrielle Brown, and I am writing to thank you for your generous scholarship of \$5,000. I was thrilled to learn that I was selected as the recipient of your scholarship, and I am very appreciative of your support.

I am an atmospheric sciences major with a minor in mathematics and I plan to pursue a career in research upon graduating from Northern Vermont University - Lyndon. I am currently going into my senior year and will be graduating in the spring of 2023. After graduation, I want to attend graduate school to earn a master's and PhD. Thanks to you, I am able to continue working towards this goal! By awarding me the Naval Weather Service Association Fellowship as a scholarship in the AMS Senior Named Scholarships, you have been a great help in paying my educational expenses which will allow me to focus more of my time on learning and my studies.

Thank you again for your generosity and support. I promise you I will work very hard and eventually help others through my research.

Sincerely,  
Gabrielle Brown
