

TO Mr. Mike Gilroy and the NWSA,

My name is Alexandra (Allie) Mazurek, and I am a rising senior at the University of Georgia double-majoring in Geography and Atmospheric Sciences. I was fortunate to be chosen by the AMS as one of the recipients of the Naval Weather Association Scholarship. I am so thankful to have received this scholarship, and I am so grateful for the NWSA and its generous members for providing students like me with this incredible opportunity. This scholarship will help me finish my undergraduate degree debt-free, and I plan to use the rest for a future masters degree. I sincerely appreciate all of your hard work for making this scholarship possible, and for generously donating the NWSA membership fees to this fund. I hope to see you and other members of the NWSA this January at AMS! Thank you again,
