Specific Details following page.

Details

Logistic notes: New Orleans airport (MSY) is about 70 miles from the Hollywood Casino, the Biloxi-Gulfport (GPT) airport is about 23 miles distant. A taxi ride from GPT to the Hollywood is \$61. There is a hospital with ER in Bay St Louis, 2 miles from the Casino. Downtown Bay St Louis is 2 miles south with many restaurants and shops.

Pizza night and Banquet dinner are cash bars only. This includes soda, water, beer or spirits. The bartender fee is included with your food charge. Cash or Credit card may be used at the casino. You are not allowed to run a room tab.

Breakfasts are from 0800-0900, except for the “box breakfast” on Wednesday while going to Stennis Space Center at 0700.

Participants are “on your own” for meals on Tuesday evening, and Wednesday lunch and evening meals. The casino has three food venues available.

Thursday is a “free day” after the morning general meeting. Golf tee times can be arranged - Golf Course Contact Person: Billy Baumgartner- 228-466-8058

NWSA ballcaps, only 24 were ordered from the supplier; 1st ordered, 1st served.

The Pass Christian Yacht Club gracious setting overlooking the Gulf and Pass Harbor is the view in town. \$25 gets you 2 drinks (2 wine, 2 beer, 2 well-drinks or a combo of drinks and sodas) and noshes. We will be there during the late afternoon, 1630 is for a long hour.

Quick Look at the Schedule:

Tuesday is a bus ride to Biloxi (and Kessler AFB) and Gulfport for the day

Wednesday is at Stennis Space Center, NAVOCEANO and Data Buoy Center, and Bay St Louis “Old Town”

An OPTION for those not interested in Navy activity at Stennis Space Center and a “box breakfast” ... F-J, my spouse, is willing to take a group into Pass Christian and tour the Oil & Vinegar shop, with tastings conducted by the owner. This allows this group to eat a normal breakfast at the Casino, drive the 10 miles to Pass Christian, and look, shop, and enjoy a different community. However, you need to “register” your interest with F-J by emailing her at fjcutting@gmail.com. A minimum of 10 needed.

Thursday is “on your own”, golf, gaming, hanging around the pool, or just being a tourist

The Thursday Banquet dinner is a more dressed up event, business attire. Admiral Ron Piret, Commander Naval Meteorology and Oceanography Command, will be our guest speaker

Check out the Hollywood Casino Gulf Coast website

At Registration, Monday afternoon, 5 May, the full schedule for the Reunion will be available. Some of the scheduling is controlled by the number of participants, including transportation.

Questions, comments, and concerns will try to be addressed, contacts are:
